Part B for Feb'47

SUBJECT

Proposal to sanction an estimate for Rs 216000 for improvement of tared roads in Mysore city half the cost being met by government and the other half being granted as a loan to the Mysore City Municipality

L 11540 43 dt 21-2-47

To

President City mk council Mysore
Chairman C T D Board Mysore
& Chief Engineer Roads & Bldgs
Comptroller to govt

Sanctions the estimate for Rs 216000

Letter no D2 c.86/44-45 Dt 4-12-44 from the Chairman, City Improvement Trust Board, Mysore requesting for an outright grant of Rupees one Lakh Rs 50,000 during the current & Rs 50,000/- during the next year - for repairing the tarred roads in Mysore city.

The necessity for this Grant has been explained by the Chairman in his letter. In para 3 of his letter, the Chairman has stated that when the Dewan was in Mysore last month (Nov 44), was kind enough to say that he would consider the matter if regular proposals are submitted to Govt.

6 The patch repairs do not last long, although done frequently Mere repairing the whole surface with bitumen & probably sanding over as now practised may not be quite useful It would be better that on all important roads a 3/4" layer of premix though involving some additional cost, be laid & the less important Roads maintained with patch Repairs & sanding wherever necessary

The Estimate may be got revised as per above The question of converting some roads may also be examined though not necessary to be taken up immediately A 3 inch concrete layer on the existing surface will be enough to meet with the traffic conditions in this City

A Note put up

As most of the tarred roads in the Mysore city require repainting, the chairman City Improvement Trust Bd, Mysore has forwarded a statement showing the several roads which require immediate attention He has also estimated that the cost of repainting of the several roads would come up to a lakh of Rupees Both the Municipality & the Trust Board are not in a position to meet this expenditure and so the chairman has approached the Govt with a request for an outright Grant of Rs 1,00,000; 50,000 being given during the current year & the balance during the next year. The Chief Engineer for Roads & Buildings, who was consulted in the matter has reported that mere repainting the whole surface with emulsion & probably sanding over may not be quite useful & has suggested that it would be better that, on all important roads, a 3/4" layer of premix though involving some additional cost, be laid & the less important roads maintained with patch repairs & painting wherever necessary. He has also suggested that the question of tarring certain roads may be reconsidered, though necessarily for being taken immediately that a 3 inch concrete carpet of the finish

17) I have various ideas about
roads in a city like Mysore,
various pavements surface
but application of bitumen to
Concrete sides & providing

crateway where Vehicular traffic is heavy. In future we must reduce purchase of bituminous, as it is costly & uneconomical & encourage purchase of Concrete Surface as far as possible. Perhaps the new Minister in charge of town city municipalities will pursue the question

No. 282

TYPING SECTION
12 JULY 1946

1130 / 2 & 9402 / 2

From the President, City Municipal Council Mysore

— to 72 / 35-36, dated 10-8-36

States that the City Municipal Council

agreeable to the two proposals made by the Govt. viz

1) that Govt would pay as a grant to the City

Municipality half the estimated cost of retarring the

tarred roads in Mysore city and 2) that they would advance

the balance of Rs 1,08,000/ as a loan to the Municipality,

carrying interest at 3½/ as a special case

7D) The President Mysore City Municipal Council

has requested Government as follows -

1) to sanction a grant of Rs 1,08,000/ being

a moiety of the cost of the work of retarring

the roads in Mysore city

and

2) to advance the other half of Rs 1,08,000/ as a

loan to the Municipality, carrying interest at 3½/ p.a

and repayable in five years

7I) The above proposals are in accordance

with the Minute dated 9-7-36, of the

1130/

Dewan Cvide para 65 of the notes submitted

12) This is a formal matter

The Financial Department has to be consulted in regard to the payment of the special grant for the yrs 1578 & 1579 of Rs 8000 & the loan of an equal amount to be sanctioned only for the above purpose. - Refer para 6 5 of the notes - Revised for 1578/79 & 1579/80

13) What are the present Commitments of the Municipality & how are these loans repayable? Can the Mcly repay the loan of Rs 2 Lakhs? What is its normal income & normal expenditure?

Dewan 15/8/Feb

14) The Mysore city Municipal Council has raised the following loans and explanation re the amount already discharged and balance to be paid is noted below

General and Revenue Secretariat — File No — of 194

As on 1-7-1946

Serial No	Particulars of loan	Amount of original loan Rs	Balance to be discharged Rs
1	Debenture bonds from the Indian Bank — Madras —	5,00,000	4,33,334
2	Annuity bonds from Bankers Corporation — Pudukottah —	2,20,000	89,333
3	Annuity bonds from the Palace —	2,00,000	96,668
4	Amount from Govt for sinking wells —	25,000	15,000
5	Milk Supply loan —	30,000	27,000
6	City Water Supply Scheme loan —	3,17,325 —	—

7) In the draft Budget of the Mysore City Municipal Co for 1946-47, a Sum of — — Rs 3,33,500, as detailed below is provided for repayment of loans —

		Rs
1)	Loan Instalment to Indian Bank —	3,00,000
2	Palace & Pudukottah Banks —	28,500
3)	Well works loan —	2500
4	Milk Supply loan —	30,000

File No 1130 / of 1941 | General and Revenue Secretariat

Serial No

7) The normal receipts for the year 1946-47 is expected to be Rs 12,57,880 and the normal expenditure Rs 10,26,655

8) The Comptroller, while verifying the draft Budget of the Mysore City Municipal Council for the current year has stated that it may not be possible to maintain the statutory minimum balance of Rs 20,000/ unless the items of expenditure are restricted, and that the total deficiency to be made up works out to Rs 1,05,557/

9) The Budget figures are under scrutiny

10) An enquiry may be made as to the rate of interest which the Municipal Council is prepared to pay if the loan is advanced, the mode of instalments of repayment and the surety furnished. It would appear, in view of the heavy commitments it has already to meet [illegible]

Subject:- Painting of tarred roads in the Mysore city

The Chairman, City Improvement Trust Board Mysore, reports that several important tarred roads in the city are fast deteriorating and that, inspite of large sums of money spent by the Municipality for effecting pretty repairs, it has not been possible to restore them to normal condition and these roads therefore need immediate attention

With this end in view, he has forwarded an estimate for Rs 2,26,000, for the Surface painting and premixing, under the Scheme of Improvement to the roads in the city. This estimate has been duly scrutinized and corrected by the Chief Engineer

for Roads and Buildings for Rs 2, 16,000-

As these are purely maintenance works and do not come within the purview of the City Improvement Trust Board they should be financed by the Mysore City Municipal Council

The ~~Mysore~~ City Municipal Council have pleaded their inability to meet any portion of the cost of the Scheme and have sought the assistance of the Government in this behalf

As it is absolutely necessary to keep these roads in an efficient condition in the Capital City it is proposed -

a) to sanction the estimate for Rs 2, 16,000- for the above work

b) to sanction an out-right ~~Government~~ grant of Rs 108,000/, being half the cost of the work from out of the State Funds to the Mysore

city Municipality, for the purpose

and

(b) to advance the balance amount of Rs 1,08,000/ as a loan to the Mysore city Municipality, carrying interest at 3½% per annum and repayable in five years

The Mysore city Municipal Council has agreed to the above Conditions on which the loan would be granted to it.

The above proposals have been agreed to ~~approved~~ by the Dewan and the other Ministers in Council. and I solicit Your Highness' gracious sanction to the same

Yours faithfully
Minister for Education.

Final Note by the Minister for Education and Public Health

Subject— Improvement of tarred roads in the Mysore City

As several important tarred roads in the Mysore City were fast deteriorating for want of necessary repairs, the Chairman of the City Improvement Trust Board, Mysore, submitted to Government for sanction an estimate for Rs 2,26,000/- for surface painting and premixing these roads, the cost thereof being met by Government Government pointed out that the maintenance of roads in the City, being purely one of the Municipal duties, it was not the legitimate duty of the Trust Board and that it should be attended to by the Municipality But the Municipality pleaded financial inability to take up this work As it was considered necessary to maintain the roads in the capital City of Mysore in a proper condition, Government proposed that, as a special case, half the cost of the above estimate which has been revised to Rs 2,16,000/- would be met by Government, if the Municipal Council were prepared to take a loan from Government at 3½% repayable in five annual instalments to meet the remaining cost of the estimate The Municipal Council are agreeable to the above proposal, the loa being repayable in ten annual instalments and have earmarked certain items of their revenue for the repayment of the loan In view of the urgency of the matter, the President, City Municipal Council, Mysore, has been permitted to proceed with the preliminar arrangements to carry out the work

It is proposed to accord sanction to -

(i) the estimate for Rs 2,16,000 for surface painting and premixing of the roads detailed in the statement appended,

(ii) an outright grant of R 1,08,000/- being half the cost of the estimate,

(iii) a loan of Rs 1,08,000/- to the Municipality at 3½% per annum, repayable in five annual equal instalments

The Dewan and the other Ministers agree to the above proposal I solicit the gracious sanction of His Highness thereto

His Highness the Maharaja of Mysore, Law Department,
Bangalore

Sir,

Re - Repainting tarred roads in Mysore City

In enclosing herewith the Resolution of the Trust Board regarding the grant required for repainting tarred roads in Mysore City, I have the hon to state as follows -

1 Most of the tarred roads in Mysore City were tarred about four six years back, the method adopted being painted on mecadamised surface life of a painted road is only two years, whereas some of them have stood more than five years They have neither been repainted nor heavy patch carried out for want of funds by the Municipality As a result of this, m of the roads have become very badly pitted and some are beyond repairs

2 If these roads have to serve any longer, they have to be got re painted after doing patch repairs, and for repainting all these roads a sum R. One Lakh is required as per statement enclosed This heavy sum of expen diture cannot be borne by the Municipality in its present financial position or the Trust Board with its limited grant It is therefore requested that amount may be given by Government in two yearly instalments During the - current year, the Chief Engineer has been requested to allot the necessary - quantity of Bitumen Emulsion required for repainting these roads, as repaint ing can best be done during summer months I therefore request that a sum R. 50,000/- may be given as an outright grant to the Trust Board for repaintu only important roads during the current year, other tarred roads being take up next year The next instalment of R. 50,000/- may kindly be granted duru next year

3 When the Dewan was in Mysore last month, this was represented i detail to him and he was kind enough to say that he would consider the matte if regular proposals are submitted to Government I request that this gre

P T O

may be given immediately, so that the roads may be improved in the coming summer months and kept in a fit condition

I have the honour to be,
Sir,
Your most obedient servant,

Chairman

Dear sir,

I write to invite your kind reference to my letter No D2-C 86/44-45 dated 4-12-44 and subsequent D O dated 17-4-1945 and to request you kindly to obtain early sanction of Government to the estimate amounting to Rs 1,00,000 for repairs to the tarred roads in Mysore City

All the roads have deteriorated very much Further postponement of the maintenance work will result not only in the roads getting hopelessly damaged but also entail very heavy outlays to recondition them Hence I request that the Government be pleased to treat the matter as urgent and pass early orders

Yours sincerely,

C Narayanaswamy Naidu, Esq ,B A ,B L ,
Legal Remembrancer and Secretary to Government,
Law Department,
Bangalore

M L-115 2 3/9/45

To Estimate

The Chairman,

City Improvement Trust Board, Mysore

Sir,

With reference to your letter no D2 C86/4445-B/4-12 46 requesting sanction for an outright grant of one Lakh of rupees for repairing the tarred roads in the city, I am directed to state that the patch repairs of the roads do not last long, although done frequently. Mere repairing the whole surface with Emulsion and probably sanding over as now proposed by you may not also be quite useful. Govt consider that it would be better that, on all important roads, a 3/4" layer of premix be laid though this process involves some additional cost & that the less important roads might be maintained with patch repairs & painting, wherever necessary.

I am therefore to request you to have the estimate revised in the light of the observations made above

The question of Concreting com-

roads may also be examined though they may not necessarily be taken up for execution immediately. A three inch concrete layer over the existing surface would be enough to withstand the wear & tear on account of the traffic conditions in the city.

The abstract estimate received with your ~~ted~~ letter under reply is herewith returned.

I have etc

Sir,

Hul 'S'

With reference to letter No I 1652 dated 3rd September 1945 from the Additional Secretary re the grant of funds for repainting the tarred roads in the Mysore City, I have the honour to forward herewith an estimate amounting to Rs 2,26,000/- for laying ¾" layer of premix as proposed in the above reference Only very important tarred roads have been included in the estimate

The estimate has been sanctioned by the Board of Trustees at their Ordinary Meeting held on 30th January 1946 I request therefore that sanction of Government may kindly be obtained to the estimate and also for a separate grant to take up the work immediately In view of the bad condition of the tarred roads in the City, it is proposed to take up the work of improving them forthwith and complete the same before the rain season

The Report accompanying the estimate explains the necessity for the work A copy of the Trust Board's Resolution sanctioning the estimate also is herein enclosed for reference

I have the honour to be,
Sir,
Your most obedient servant,

Chairman

Sir,

Re: Repainting of tarred roads in Mysore City

With reference to your letter No L 11243 dated the 16th April 194 regarding the above, I have the honour to forward herewith a copy of the data sheet for the rate of Re 1-5-0 per sq yd , for laying 3/4" thickness of premix with seal coat provided in the estimate submitted to Government for sanction

I request favour of early sanction to the estimate with funds as the tarred roads in the City are very badly in need of re-coating and have gone beyond maintenance by mere tar patch repairs

I am to add that during his recent inspection, the Dewan was pleased to remark about the bad condition of tarred roads in the City and immediate attention to be paid to set them right

No FCR 2039/45-46

Date 21st June, 1946

My dear Mr Mallaradhya,

I write to invite your kind reference to correspondenc ending with letter No D2 C 86/44-45 dated 27/29th April 1946 regarding the improvement of tar roads in Mysore City and to state that the condition of several important tar roads is in a state of fast deterioration and in spite of large sums of money spent by the Municipality for petty repairs, it has not been possible to reclaim them to normal condition I have submitted to the Minister that the financial resources of the Municipality in view of their commitments particularly on account of payment of about 2 lakhs of rupees per year towards dearness allowance, did not permit their taking up the renovation of the tarred roads in Mysore City out of Municipal Funds All the same, the work is of such an urgent nature that no delay is desirable I am anxious that at least before the ensuing Dasara Festivities all the important tarred roads in the City should be renovated I therefore request you kindly to obtain very early sanction of Government to the revised estimate for Rs 2,26,000/- already submitted to Government with my letter No D2 C 36/44-45 dated 24th Feb 1946

I am to add in this connection that if the timely action proposed by me is not taken, the condition of many tarred roads may become so bad that they may have to be taken as original works, which means very heavy expenditure many times more than what would now cost

Yours sincerely,

J B Mallaradhya, Esq , M A ,

Subject:- Re: pairing of tarred roads in Mysore City.

Sir,

With reference to the correspondence ending with your letter No.Fo.T.2033/39-40 dated 21st June 1940 forwarding for sanction of Government an estimate for Rs.2,20,000/- for the above work with funds required therefor, I am directed to state that the Chief Engineer for Roads and Buildings has scrutinised the above estimate for Rs.2,10,000 and it is will be accepted.

In this connection, I am to observe that these are purely maintenance works and they do not come within the purview of the City Improvement Trust Board work. They should therefore be taken up and financed by the Mysore City Municipal Council.

It is not also clear if the Municipal Council has ever been consulted in the matter.

If the Municipal Council wants any assistance from the Government in this behalf, a grant equal to one half of the estimated cost of the work will be sanctioned as a special case and the balance advanced as a loan carrying interest at 3½% and repayable in five years.

The opinion of the Municipal Council in this behalf may accordingly be obtained and submitted for the orders of Government early.

Sir,

Subject:-Estimate for Rs 216,000/= for surface painting and premixing under the scheme of Improvement to Tar Roads in Mysore city

****

Adverting to your letter No L698 dated the 18th July 1946 and in continuation of this office of even number dated 28-10-46 intimating the conditions of repayment of the loan to be advanced by Government at 3½% for the above purpose, I have the honour to state that the original estimate for Rs 226,000/- which was scrutinised by the Chief Engineer for Roads and Buildings, was not received in this office along with your letter under reference and only the opinion regarding the conditions of repayment was called for and the same has been furnished in this office letter No M5 C 72-35/46-7 dated 28/31-10-46 referred to above

13/11

(LSG) 13/11/46

The question of taking up the work of tarring was felt to be very urgent and the Works Committee, therefore, recommended another estimate for Rs 216,000/- only for surface tar painting and premixing to the tarred roads in the city for sanction of the Council This Estimate has been slightly altered as to the detailed items of roads with reference to the changed conditions of the roads since the time of preparation of the original estimate The Council have duly approved of the above recommendation of the Works Committee as per the copy of the resolution No 332/26 46 obtained by circulation enclosed

In these circumstances, I request that sanction of Government may kindly be obtained to the estimate for Rs 216,000/- for the surface tar painting and premixing under the new scheme of Improvement of tarred roads in the city of Mysore and to communicate the same very early as the work has to be taken up immediately

In view of the bad condition of the surface of most of the roads and to prevent their further deterioration, the Municipal Engineer has been asked, pending sanction of Government, to commence the work

Sir,

Subject -Painting of tarred roads in Mysore city

With reference to your letter No L 8303/3=12=1946 on the above subjedt, I have the honour to state that the Municipality sets apart every year for repair of tarred roads, a sum of Rs 10,000/- to 20,000/- under "D2 Repairs in the Municipal Budget and as, in view of the fact that the reads painted with tar as per the scheme in question, may not need so much money to be set apart every year, the major portion of the amount not less than the annuity for repayment of the loan to be advanced kindly by Government will be set apart, the balance being utilised for the urgent annual repairs if need be

In view of the above, no other specific source need be made as desired in your letter under reference for repaying the amount of the annuity of the loan every year A sum of Rs 11,000/- will however be set apart every year for the above purpose out of the receipts under duty on the transfers or mortgages of properties in Mysore city, which amounts to about Rs 40,000/- per annum

GENERAL AND REVENUE SECRETARIAT

(*Continuation sheet draft form*)

Necessary to maintain the roads in the Capital city of Mysore in a proper condition, the Mysore city Municipal Council were consulted on the proposal that the Govt would meet half the cost of the above estimate, if the Municipal Council were prepared to take a loan from Govt at 3½% per annum and repayable in five annual instalments

The Municipal Council are agreeable to the above proposal the loan being repayable in ten annual instalments and have earmarked certain items of their revenue as noted in the margin for the repayment of the loan

In view of the urgency, the President City Municipal Council Mysore has been

to meet the remaining half by taking a loan from Govt at 3½% per annum

Rs 11,000- Out of the Receipts under duty on transfers or mortgages of immoveable property

Savings in the Municipal budget to the extent of Rs 10,000 to Rs 20,000- per annum, under Repairs to roads in the city after the present works are completed

WD 0565—GPB—22 500—8 11 38

to proceed with the preliminary arrangements to carry out the works

7 After a careful consideration of the question, Government are pleased to accord sanction to —

1) the estimate for Rs 2,16,000- for surface framing and fencing of the roads in Mysore city included in the above estimate

2) an outright grant of Rs 1,08,000- being half the cost of the estimate to the Mysore city Municipality for the above purpose

and

3) a loan of Rs 1,08,000- to the Mysore City Municipality, carrying interest at 3½% per annum and repayable in five annual instalments

8 The outright grant referred to above will

PROCEEDINGS OF THE GOVERNMENT OF
THE MAHARAJA OF MYSORE

R e a d -

Correspondence ending with letter No M5 C 72-35/46-47 dated 16th December 1946 from the President, City Municipal Council, Mysore, forwarding for sanction, an estimate for Rs.2,16,000/- for the improvement of tarred roads in the Mysore City, half the cost being met by the Government and the other half granted as a loan to the Mysore City Municipality.

2 Jr-official Note No.327 dated 11th April 1946 from the Chie Engineer for Roads and Buildings returning the above estimate duly scrutinised for Rs 2,15,000/-.

Order No. 11540-3/ml 106-46-11

Dated, Bangalore, the 21 February 1947.

As several important tarred roads in the Mysore City were fast deteriorating for want of necessary repairs, the Chai-man, City Improvement Trust Board, Mysore, submitted to Government for sanction, an estimate for Rs 2,26,000/- for surface painting and premixing these roads, the cost thereof being met by the Government.

2 The ab ove estimate has been scrutinised by the Chief Engines for Roads and Buildin s for Rs 2,16,000/-.

3 It was pointed out that the mainterance of roads in the City, was purely one of the duties of the Municipality and that it should be attended to by the Municipal Council The Mysore City Municipal Council pleaded financial inability to take up this work.

4 As it was considered necessary to maintain the roads in the capital city of Mysore in a proper condition, the Mysore City Municipa Council were again consulted on the proposal and were assured that the Government would meet half the cost of the above ~~xxx~~ estimate, if the Municipal Council were prepared to meet the remaining half by taking a loan from the Government if necessary, carrying interest at 3½% per annum and repayable in five annual instalments

5.The Municipal Council are agreeable to the above proposal, the loan being repayable in ten annual instalments, and have earmark certain items of their revenue as noted in the margin for the repay- ment of the loan

6 In view of the urgency, the President, City Municipal

* 1.Rs.11,000/- out of the Receipts under duty on transfers or mortgages of immoveable property
2 Savings in the Municipal Budget to the extent of Rs 10,000/- to Rs 20,000/- per annum, under "Repairs to roads in the City" after the present works are completed.

Council, Mysore, has been permitted to proceed with the preliminary arrangements to carry out the works.

7 After a careful consideration of the question, Government are pleased to accord sanction to (1) the estimate for Rs 2,16,0 for surface painting and premixing of the roads in Mysore City inclu in the above estimate (2) an outright grant of Rs.1,08,000/- being half the cost of the estimate to the Mysore City Municipality, for the above purpose, and (3) a loan of Rs.1,08,000/- to the Mysore Cit Municipality, carrying interest at 3½% per annum and repayable in fi annual instalments.

8 The outright grant referred to above will be treated as an additional grant to the Mysore City Municipal Council during the current year, a supplemental demand therefor being placed before the Legislative Council at its next Session

9. The President, Mysore City Municipal Council is requested to take all further action in the matter The Comptroller is requested to arrange for the disbursement of the loan at a very early date.

for Secretary to Government,
Revenue Department.
